The FBI shares your agency's interest in the official resolution of this case and appreciates your continued cooperation in this matter.

Assistant Director

Subject: DECEMBER 4 - DECEMBER 6, 1991
FBI ACADEMY, QUANTICO, VIRGINIA

This communication is classified "Secret" in its entirety.

The above-mentioned gentlemen provided conference attendees with a briefing. The session was extremely informative and directly contributed to the success of the conference. Attendees enthusiastically participated in the subsequent question and answer segment of the presentation. Based on conference critiques and other feedback, it is apparent that their presentation was very well received.

NOTE: Self-explanatory.
On behalf of the entire FBI, I want to thank you for your excellent efforts which contributed significantly to the success of the joint investigation.

I want you to know how much we appreciate the key role you played in securing a guilty plea from the coconspirator. After two failed plea attempts and a number of out-of-state interviews and bank record and contract reviews in which you participated, the coconspirator acknowledged his guilt in this conspiracy. Your dedication and commitment to bringing this case to fruition are indeed commendable.

This case is a perfect example of the effectiveness of our two agencies working together to achieve a common goal. You have represented your Agency in an outstanding manner, and my colleagues and I congratulate you on your splendid efforts.

Sincerely yours,

Louis J. Freeh
Director

Washington, D.C. 20505

NOTE: HQ files contain nothing to preclude this letter.
My colleagues in our Washington Metropolitan Field Office and I are very pleased with the success of the joint investigation of a major contract fraud case. We want you to know how much we appreciate your excellent performance and cooperation.

From its inception, you worked tirelessly and equally with our case Agent to develop evidence to support the criminal allegations. Our Agent was especially grateful to you for your insight about how your Agency awards its contracts, as well as all of your many contributions to the success of this investigation.

Although you were reassigned before the completion of this joint operation, you certainly played a key role in the resulting guilty pleas of both suspects and the recovery of most of the money awarded in the contract. Congratulations on a job well done.

Sincerely yours,

Louis J. Freeh
Director
